A LETTER FROM YOUR HOA PRESIDENT

Dear Lotus Homeowners,

We had an exciting Summer here at Lotus as we recently sold the 12 model homes here at the sales office Model Row! They will be closing next year when we move off site. We are also building two new models, the Santo Grand, which is being built in the Palms Parcel, and the Bermuda model, which is located at the end of the current model row. We

are projecting these two new models will be complete by the end of the year. We are making great progress on our last few parcels of production homes and have just under 180 homes left under construction. We have welcomed over 610 homeowners to the neighborhood and continue to welcome on average 22 homeowners per month!

Thank you all for your continued participation in the community events! We love seeing everyone come out and gather together! This is the best way for the community to grow! Please be sure to join the Facebook page, follow us on Instagram and check your emails for the most up to date social activities occurring in the neighborhood!

Thank you all again for your continued support of our beautiful community!

All my best,

KARA BABCOCK

FROM YOUR RESTAURANT OPERATOR

Crystal Bay Catering Company has been selected to be the food and beverage service operator at the clubhouse.

Dear Residents,

I would like to express my gratitude in the support of the Luna Bistro restaurant. In this short time, I have had the opportunity to meet such wonderful families in the community as well as get your feedback and suggestions. We will continue to grow with the community and offer you ever-changing cuisines and events for the whole family.

Due to limited availability for dinner nights and weekend lunches it is best that you make reservations on the Open Table link provided on the Lotus community website (www.lifestyleatlotus.com) , this will also be linked with all the special event menus offer. We strongly encourage you to utilize this feature due to limited seating.

We appreciate all the feedback that we are receiving from the residents to make Luna Bistro the best community restaurant around. In listening to your feedback, we will continue to make changes to accomplish this goal. We encourage you to email us directly anytime at Lunabistro@Lotusrec.com . We would love to hear your input!

Respectfully,
