 YOUR PROPERTY MANAGER**

Dear Residents,

I hope everyone had a great summer! I know many of our homeowners have been away on vacation and spending time with family and friends, and we look forward to everyone returning in the coming months. I want to welcome our newest homeowners who are just moving in and getting settled into their new surroundings.

My team and I hope all of you are enjoying Valencia Sound's newest amenity, our new, luxurious Clubhouse! A great big welcome to Scott and Eynat Kushner, our Lux Grill and Legends Lounge operators and Total Fitness Systems, who will be managing our Fitness Program.

Feel free to stop by the new Lang Management On-Site Office if you need any assistance or just to say hello. We have added additional staff to our team, including an Administrative Assistant and a Receptionist who cannot wait to meet all of you!

Lastly, we are continuing to work hard to streamline and expedite the ACC Applications Process if you are doing modifications to your home. Just a reminder to have all of the necessary paperwork, including your vendor's current vendor license and insurance, and your marked original survey along with project photos. WHAT'S ALL THE RACQUET?

FROM YOUR **SPORTS DIRECTOR**

Dear Residents,

What an active summer we had at the Sound! Despite the heat, it was amazing to see so many of you on the Tennis and Pickleball Courts taking lessons, participating in Leagues, or just coming out to play with your neighbors and friends! And now with our Bocce Courts open, we can't wait to see even more activity at Valencia Sound!

It's hard to believe that we are beginning our Fall Tennis and Pickleball programs. Valencia Sound will have 3 women's and 3 men's teams this Fall. If you are interested in playing on a team, please contact me to get you in touch with the appropriate captain. I have big hopes for this year's fall tennis teams! I expect our community to continue to grow in participation and in building a strong foundation of teamwork and togetherness. Our success in all sports programs lies in the attitude of each resident to be an inclusive leader and initiate positive actions on and off the court. My wish is for every resident to join either a pickleball

or tennis team this year. To help prepare yourself to compete in games as well as increase your overall health, I encourage residents to take advantage of continuing to build strength to improve your game even more. Working with the personal trainers in our Clubhouse will help to give you the opportunity to build muscle and focus on the areas you want to strengthen.

Now that many residents are starting to come back to the Sound after a summer away, keep in mind that the Tennis and Pickleball courts will be getting even busier! Make sure you are registered on valenciasoundracquetclub.com to easily book your court time and sign up for lessons and clinics. Guests are allowed after 11:00 am. Feel free to stop by the Pro Shop and inquire about our programs and any questions you may have.

Stay safe and well – see you on the Courts!

FROM YOUR **PICKLEBALL PRO**

Dear Valencia Sounders,

It was a fantastic summer of Pickleball, and it's been amazing to see so many of you active and out on the courts every day. With so many residents moving in each week, our roster of Pickleball players is continuing to grow in all levels, and I'm excited to see what the future holds for this game! For those who have never played Pickleball or are just starting to learn more and more techniques, we offer several clinics every week that are specifically designed to enhance your game. Our Fall Pickleball Leagues are ready to play full steam ahead, and I look forward to another successful Pickleball season for everyone involved!
